

FIND THE RADISH:

AN ACTIVITY TO CELEBRATE NATIONAL FARM TO SCHOOL MONTH, OCTOBER 2014*

HOW IT WORKS:

30 radishes (like the image above) will be placed in various kid friendly establishments throughout Athens.

Look for the radishes--they could be anywhere! Once you spot a radish, find an adult to give you a passport booklet (or make your own) and a stamp/signature for finding the radish. Keep the passport with you as you search for more radishes. *For a list of participating places visit www.athensfarmtoschool.com

Once you collect signatures/stamps you can take your passport to the West Broad Market Garden or Athens Farmers Market to receive tokens to spend at the market! 1-5 radishes=\$3; 5-10=\$5; 11+=\$7

*This activity will run through November 14, 2014.
